Description of Building Product

PSP Limited supplies Polycarbonate Roofing products under the following brand names:

- Suntuf SunGlaze
- Suntuf Twinwall
- Suntuf Polycarbonate
- Suntuf Diffused Skylighting
- Tufclad Ultra Polycarbonate

The PSP Polycarbonate Roofing products are intended for use in external roofing for open-sided porches, verandas, or free-standing structures. The polycarbonate sheets are manufactured by [Palram](#). Palram is an Israeli company that was founded in 1963 and supplies thermoplastic products globally.

Polycarbonate is a hard, dimensionally rigid plastic with good impact resistance and flexibility. The clear sheets have 90% light transmission while providing UV protection. The application of a co-extruded UV protective layer on one side protects the sheeting from yellowing.

Contribution to Building Code Obligations

PSP Limited relies on the information supplied by [Palram](#) in making the following compliance claims. PSP Limited provides indicative installation information. It is the responsibility of the installer to ensure that installation will comply with the building code. Therefore PSP Limited makes no claim in respect of the building code compliance of the associated building work.
